## General Remarks

Thank you for booking with Corporate Traveler.  
Travel Insurance is always recommended.

Check-in for flights opens 24 hours prior to departure and we suggest checking-in no later than 2 hours prior to departure.

FAA rule is that no passengers will be allowed to go to the departure gates without an electronic or paper boarding pass. Passengers holding electronic tickets will have to check-in at the ticket counter prior to departure if they do not have an electronic or paper boarding pass.

Tickets may be non-refundable and changes may be restricted.

Seat assignments requested at the time of booking are not guaranteed by either the airline or Corporate Traveler.

Frequent Flyer numbers should always be presented to the airline at check-in to ensure they are received.

All travelers require a passport to re-enter the United States. A passport is required for all international destinations. Passport and visa requirements are the responsibility of the passenger and many countries require 6 months validity on your passport for entry.

We recommend you reconfirm all your outbound and inbound flights at least 3 days prior to each journey.

Per airline rules, tickets need to be changed and rebooked as the entire value of the ticket can be forfeited.

Fares are not guaranteed until they are paid in full.

All travelers require a passport to re-enter the United States. A passport is required for all international destinations. Passport and visa requirements are the responsibility of the traveler and many countries require 6 months validity on your passport for entry.

Please note, travel restrictions due to COVID-19 change often. It is the responsibility of the traveler to know what restrictions are in place before planning and departing for international destinations. Be aware of travel restrictions that may be in place prohibiting non-residents from entering or requiring self-isolation upon entry for visitors.

It is important to note that all air passengers boarding an international flight to the United States, including US residents returning home, must show a negative COVID-19 test regardless of vaccination status. The same requirement applies to most international destinations, when departing from the United States and other places of origin.
