

APPIAN ACADEMY ACCELERATES YOUR PROJECTS

APPIAN ACADEMY OFFERS INTERACTIVE CLASSROOM EXPERIENCES WITH EXPERT INSTRUCTORS THAT ENGAGE YOUR WORKFORCE TO MAXIMIZE ROI AND DIGITAL TRANSFORMATION.

BUILD SMARTER

Our curriculum provides techniques on how to build your Appian platform efficiently, so you can **increase productivity and drive results**. According to alumni, our training can enable your team to complete applications in less than half the time.

CREDENTIAL-FOCUSED

Our Business and Developer courses are each constructed to ensure your team can obtain their credentials quickly and easily. Credentialed team members will **streamline your development process**, saving you time and money.

INTERACTIVE

Beyond lectures and videos, our expert instructors are the best source of Appian knowledge. They will tailor classes to your learning style, so you **learn faster and more efficiently**. Our engaging activities and discussions create a collaborative environment where participants can gather insights and learn from each other.

WHAT OUR ACADEMY LEARNERS SAY

“GREAT TRAINING, ON-SITE TEAMS WERE **AMAZINGLY EXPERIENCED AND PATIENT** WITH ALL OF THE DEMANDS. ALWAYS GREAT FOLLOW THROUGH. INTERESTED IN OUR RECOMMENDATIONS, INTERESTED IN WHAT WE HAD TO SAY.”

“THE SUPPORT WE GET FROM THE VENDOR AND THE TRAINING THEY HAVE AVAILABLE HELP US **MAXIMIZE THE CAPABILITIES OF APPIAN** FOR OUR ENTERPRISE NEEDS.”
