SELF SERVICE - DISPUTES

A Step Towards Digital Transformation

Architecture Diagram

Appian Self Service for Disputes

Why Self Service?

Summary

Crochet's Self Service for Dispute Management (SSDM), built using the Appian Platform is a simple self-service tool designed to equip bank end customers with the ability to raise their own chargeback claims thus circumventing the expensive, tedious and often time consuming call center processes.

How It Works

100% Configurable to any bank's website/m-site/app.

Facilitates the banks dispute customer journey by using a 4 Stage process to address customer needs.

Includes industry standard questionnaire

Simplified workflow to raise the disputes in just a few clicks.

Benefit to End User

Saves Time, 24x7, Ease of Use, Real Time Alerts, Tracking & Reporting Capabilities.

Benefit to Card Issuing Bank

Configurable, Reduces Cost, Reduces Human Errors, Ease of Deployment, Less Time To Market, Increases Productivity, Dashboard & Reports, Low-Code Solution

Achieve ROI early

Achieve early Return of Your Existing IT Investments

SSDM Features*

END USER JOURNEY SCREENGRABS

User Steps

Identification & Verification Stage

- The user initiates the journey at a device (Web/M-Site/APP) & gets redirect to the designated portal.

Claim Summary Stage

- The user sees summary of all his claims in a descending order with option to check status of his existing transaction claim or create a new claim request.

Search Transaction Query Stage

- The user inputs his transaction/account details & runs the validation to reach to the transaction he wishes to dispute

Raise Chargeback Stage

- The user selects the transaction he wants to dispute & initiates a claim request

Confirmation of Chargeback Stage

- The portal displays the confirmation of the chargeback claim being registered successfully.

Select a reason

- Select a reason
- I have not received the merchandise/service.
- I don't recognise this charge.
- I don't agree with the charge amount, or I have been billed more than expected.
- I've been charged more than once for the same purchase.
- I've cancelled or returned this purchase.
- I haven't received my goods or services, or the business cancelled my goods or service.
- I received my goods or services but they were not as described.
- I purchased this using a different payment method.
- I'd like documentation for my records. I don't recognise charges from several businesses.
- I want to cancel a recurring billing charge, or I cancelled a monthly or recurring billing charge but I'm still being billed after the cancellation date.
- The reason for my dispute isn't listed here.

Qualify Dispute Questionnaire

Qualify Dispute

I have not received the merchandise/service. ▼

Did you contact the merchant and attempt to resolve the dispute?

- Yes
 No

Select appropriate condition for the chargeback.

- Delayed delivery of goods or services and the delivery or performance date was not specified.
 Delayed delivery of goods or services and the delivery or performance date was specified.
 Interruption of ongoing services.
 Purchase of a merchant-branded prepaid gift card without an expiration date and the merchant is out of business.
 Purchase of a merchant-branded prepaid gift card with an expiration date and the merchant is out of business.

Did you expect that the merchant was going to ship, deliver or otherwise provide the merchandise/service?

- Yes
 No

Did you get contacted by the merchant?

- Yes
 No

Describe the Cardholder's complaint in detail

The merchant says the package is already dispatched, however, he is not able to provide me with any tracking number.
When requested for the refund as the date of delivery has already crossed, the merchant stopped responding.
Hence raising a refund request.
